

Legrand Kenosha Visitor Guide & Safety Information

Welcome to the Kenosha Facility!

As part of Legrand's Lighting & Controls (LC) division, Kenosha produces two Legrand brands, Kenall and Pinnacle.

Kenall is renowned for providing solutions for difficult lighting needs, such as medical environments, institutions, cleanrooms, and more.

Kenall moved to Kenosha from Gurnee, Illinois, in 2014.

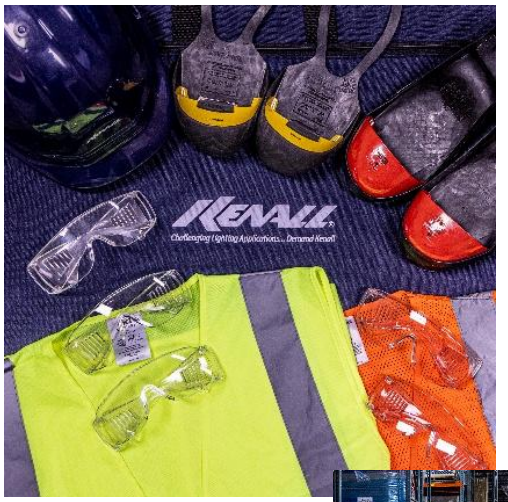

Pinnacle offers architectural lights designed for unique spaces.

Pinnacle is headquartered in Denver, Colorado, but has been manufactured in our Kenosha facility since 2024.

Safety is Our #1 Priority

Here in Kenosha—and Legrand worldwide—we believe the safety of every employee, visitor, and contractor is paramount to our success, and that we are all responsible for safety.

For your safety, please review our facility guidelines on the other side of this brochure.

Safety Guidelines

Production Floor

- Visitors must be escorted by a guide on plant floor
- PPE must be worn: safety glasses, steel toed shoes or steel shoe caps, and a high-visibility vest
  - We provide PPE for use on site!
- Pause at intersections to look for forklifts
- Stay in pedestrian marked zones unless directed by your guide
- Keep at least an arm's length away from machines

Office Areas

- Be aware of your surroundings
- Exercise caution in hallway intersections

Emergency Procedures & Parking

Emergency Action Plan – Evacuation

- In event of fire or other evacuation situations, an alarm will sound
- Use the nearest exit to you and follow your escort/onsite contact to their designated evacuation area
- If you are not with your site contact person, follow employees to nearest evacuation area and then alert your site contact of your location

Emergency Action Plan – Tornado

- In the event of a tornado warning, alarms will sound
- Proceed to the tornado shelter areas in the office space in the center of the building, which are marked above doors

Parking Lot

- Traffic goes in both directions—be aware when walking through the lot
- Visitor spots are near the lobby entrance on the NW corner (by the 3 flags)
- Employees practice back-in parking, but if you do not, please be careful when pulling out of your parking spot
